

<b>Curriculum Vitae</b>	
<b>Personal information</b>	
Surname/ First name	IULINI Barbara
E-mail	barbara.iulini@izsto.it
Nationality	Italian
Date of birth	17/08/ 1976
<b>Occupational field</b>	Veterinary neuropathology
<b>Education</b>	10 July 2006 <b>Post graduate specialisation</b> course on "Science and Medicine of Laboratory Animals" University of Milan Faculty of Veterinary Medicine.
	30 october 2001 <b>Degree in Veterinary Medicine</b> University of Turin - Faculty of Veterinary Medicine
<b>Work experience</b>	
	August 2007 – Present date  <b>Senior researcher veterinarian</b> Neuropathology Laboratory – National Reference Laboratory for Transmissible Spongiform Encephalopathies (CEA)
	October 2003 -July 2007  <b>Researcher</b> Neuropathology Laboratory – National Reference Laboratory for Transmissible Spongiform Encephalopathies (CEA)
	February 2003- october 2003  <b>Veterinary Training</b> in the Neuropathology Laboratory – National Reference Laboratory for Transmissible Spongiform Encephalopathies (CEA)
	2001-2002  <b>Post degree veterinary training</b> at University of Turin – Faculty of Veterinary Medicine <b>Post degree veterinary training</b> at ASL 3 of Turin
	2001-2003  <b>Collaboration with veterinary practitioner</b>
<b>Specific experience in Italy and Europe</b>	
	Junary 2011- february 2011 <b>University of Naple Federico II – Department of animal pathology</b>  May 2008 <b>Neuropathology lobaratory</b> of Berne- Veterinary Faculty of Berne (Switzerland)

	<p>2005-2006</p> <p><b>Department of " Benessere Animale, Immunoprofilassi, Allevamento e sperimentazione animale"</b> of Istituto Zooprofilattico Sperimentale della Lombardia e dell'Emilia Romagna</p>
<b>Main activities and responsibilities</b>	<p>Research activity on surveillance of animal diseases with main experience on TSEs, downer cow syndrome, swine disease. Research activity on Vector borne diseases and on surveillance of stranded marine mammals.</p> <p>Formation activity in the TSEs field to veterinary practitioners and to veterinarians working in public Institutes. Studies on diagnostic methods of TSEs, in particular histology and immunoistochemistry and on differential diagnosis of other neuropathologies. Clinical examination of experimentally infected animals. Organization of culling plans of scrapie outbreaks all over the Italian territory and participation to the samplings of tissues from scrapie affected animals in order to study the epidemiologic characteristics of the disease.</p>
<b>Teaching activity</b>	<p>Teacher in training courses on TSEs and participation in the drafting of TSEs E-learning lessons</p> <p>Participation, as lecturer, in national and international meetings/training courses held from 2003 on various subjects relevant to TSEs and other neurological diseases and on marine mammals diseases.</p>
<b>Training courses</b>	<ul style="list-style-type: none"> <li>- ESAVS "Neuropathology Intensive course" Faculté de Veterinary Medicine of Bern 19-23 october 2005</li> <li>- ESAVS "Neurology I Intensive course" Faculté of Veterinary Medicine of Bern 21-25 october 2006</li> <li>- "Communication, teamwork and empowerment" Istituto Zooprofilattico Sperimentale di Piemonte, Liguria e Valle d'Aosta ; 15 july 2007 to 28 february 2008</li> <li>- European course on the pathology of laboratory animals D.E.S.V. of Veterinary Pathology and the C.L. Davis Foundation Paris , 20-24 April 2009</li> <li>- 8<sup>th</sup> Annual European Descriptive Veterinary Pathology course, Armed Forces Institute of pathology Barcellona 18-22 may 2009</li> <li>- CME course in Neuropathology 2011 – Neurodegenerative diseases European confederation of neuropathological societies 19-21 october 2011</li> </ul> <p>Participation to many national and international conferences on public health themes</p>
<b>Personal skills and competences</b>	<ul style="list-style-type: none"> <li>-Team spirit gained in several working experiences in collaboration with other research groups</li> <li>- Good communication skills, gained through formation course, seminars, oral presentations in international conferences and meeting organization</li> <li>-Good experience in project and team management and good sense of organization, gained through several experiences in research and field work.</li> </ul>
<b>Computer skills and competences</b>	<ul style="list-style-type: none"> <li>- Thorough knowledge of Microsoft Office™ tools (Word, Excel, PowerPoint) , Photoshop, Image J.and Internet</li> <li>- Macro and micro scientific photography</li> </ul>
<b>Other positions</b>	<p>Member of EFSA group " Inventory of available data sources and proposal for data collection on vector-borne zoonoses in animals"</p>
<b>Prize</b>	<p><b>Winner prize at the " 5th International Conference on Emerging Zoonoses"</b> , Lymassol, Cipro, 15-18 Novembre 2007 with poster: "Immunohistochemical and molecular study of pathological prion protein in italian scrapie affected goats"</p>

Publications	
Abstracts	She is author and co-author of more 100 abstracts at national/international congresses
Chapter of book	<p>Caramelli M., <b>Iulini B.</b> "Encefalopatia spongiforme felina" su Manuale di malattie infettive del cane e del gatto"; Autore : Stefano Bo -SCIVAC 2005, pag 84-85</p> <p>Casalone C., <b>Iulini B.</b>, Pintore MD., Maurella C., Bozzetta E., Cantile C., Gandini G., Capucchio MT., Calistri A., D'angelo A., Caramelli M., " Zoonoses surveillance in Italy (2000-2009): investigation on animals with neurological symptoms" <i>Intech Book</i> 2011, Novembre</p> <p>Maurella C., Casalone C., <b>Iulini B.</b>, Caramelli M.
