PERSONAL SKILLS

**Communication skills** As an expert on food microbiology and regulations applied to food safety and food hygiene, I'm a member of several working groups: some of these are created to meet and organize special events or occasions; others are established for the publication of opinions or for the preparation of guidelines on the request of the Competent Authorities. In both cases, I actively participate in providing my skills and my organizational ability

**Organisational / managerial skills** Since 2007 I'm the Head of the National Reference Laboratory (NRL) for coagulase-positive staphylococci, including *Staphylococcus aureus* established at the Food Control Laboratory of Medical Veterinary Research of Piemonte, Liguria and the Valle d'Aosta. The NRL has to harmonize the scientific research on coagulase-positive staphylococci and staphylococcal enterotoxins methods have to be shared by all laboratories carrying out Official Controls. also coordinates the network of IZZSS to ensure the uniform application of the recommendations set out by the Community Reference Laboratory.  
Since 2019 I am Head CDRN "Centro di Referenza Nazionale per la rilevazione negli alimenti di sostanze che provocano allergie e intolleranze", (CReNaRiA)

**Computer skills** Good command of Microsoft Office™ tools
